

October 7, 2011

Once again, we would like to invite you and your French students to visit us and attend our French classes at King's University College. It's a great opportunity for high school students to see what a university class is like.

King's is an affiliated college of The University of Western Ontario. King's students are Western students and receive their degree from The University of Western Ontario. Our small classes and warm community facilitate interaction between students and faculty. Yet our association with a world class university provides our students with the resources and choice of a large institution. In essence, we offer "The Best of Both Worlds".

King's offers a wide range of French courses in programs which lead to a variety of degrees in French. If you, a colleague or a student would like to learn more about our programs, we would be most happy to speak with you. If your students would like to get a feel for French at university, we would be pleased to arrange class visits or individual visits for students and/or teachers who wish to sit in on any of our classes. We would also be happy to arrange a tour of our campus and a complimentary lunch.

To inquire or arrange a visit, please contact The Registrar's Office:

Telephone (519) 433-3491 ext. 4312 ● toll-free 1-800-265-4406 ● fax (519) 433-2227
Email kings@uwo.ca ● website <http://www.kings.uwo.ca>

We would be delighted to discuss with you the courses that might be of interest to your students. We look forward to welcoming you to the King's campus. Please circulate this letter to the French staff in your department.

Yours truly,

Professor Raija Koski
